

### REMARKS

Claims 13-15 are pending in this application.

The Examiner rejects claims 13-15 as being based upon a defective reissue declaration under 35 U.S.C. 251. Specifically, the Examiner notes that a supplemental declaration, in accordance with 37 CFR 1.175(b)(1), must be received before the Reissue Application can be allowed.

In response, Applicant submits the attached Supplemental Declaration for Reissue Patent Application to Correct "Errors" Statement (37 CFR 1.175). Note that during the course of this Reissue Application, the Applicant has changed from Kelley Company, Inc. to SPX Dock Products, Inc., and therefore the Supplemental Declaration is signed by the President of SPX Dock Products, Inc. In light of this ownership change, Applicant also submits the attached Certificate Establishing Right of Assignee to Take Action Under 37 CFR 3.73(b).

Accordingly, Applicant respectfully requests the Examiner to remove the rejection of claims 13-15 and to allow claims 13-15.

The Examiner is invited to contact the undersigned attorney should the Examiner have questions regarding the above Response.

Respectfully submitted,
